

VIKLANG SAHARA SAMITI DELHI ACTIVITIES DURING COVID-19

The **COVID-19** pandemic has far-reaching consequences beyond the spread of the virus itself and efforts to quarantine it. As the Corona virus has spread around the globe, concerns have shifted from supply-side manufacturing issues to decreased business in the services sector. The pandemic caused the largest global recession, with more than a third of the global population at the time being placed on lockdown. The poorer families are more likely to live in crowded housing and work in the low skill jobs, such as supermarkets and elder care, which are deemed essential during the crisis. Many of low-income people having lack access to health care due to being uninsured or underinsured and many other low income workers in service jobs have become unemployed. So, the world is suffering and struggling with the Corona virus pandemic. While majority of us are fortunate to have access to food and shelter during the lock down to keep ourselves safe and sound, there are many among us who are not so fortunate.

In **Viklang Sahara Samiti Delhi (VSSD)**, we are running various programs for Marginalized section of the Society and Persons with Disabilities for Social Inclusion and Sustainable Development through livelihood opportunity. Also, through **Viklang Margdarshan Kendra (VMK)** Rehabilitation services are providing to Person with Disabilities that key focus of Endeavour to improve and enrich quality of life of PwDs through innovative strategies & services and long term value creation. Therefore, during this current situation VSSD working on various activities conducted in **VT Centre's** and **VMK** by overcomes the existing challenges of the LOCKDOWN as below:

- ❖ Online Classes have been started for students through what's app groups so that students can learn or get familiar about their courses and can take their classes during COVID situation.
- ❖ Instructors have uploaded small video clips of their courses and share them to their what's app group so that students can grasp something by watching these tutorial videos.
- ❖ Follow up taken by previous batch students and through video learning modules instructors preparing the students for their exams.
- ❖ Many of the Persons with Disabilities and other Marginalized sections who are daily wagers and badly impacted with the lock down and are left with no

source of income. So, VSSD providing immediate Monetary Relief to the Needy Persons such as- **Daily wages worker, Mentally Challenged, Persons with Disabilities, Widows and others** so that they can have something to eat. We are always being there to provide them the much needed psychological and moral support. VSSD has benefited various Needy Persons are as below:
