Respectfully,

Viklang Sahara Samiti Delhi (VSSD) is a non-Government organization working towards the Welfare and Education of **Persons with Disabilities (PwDs) coming from economically and Socially Deprived** background since 1994. VSSD had observed while working at the grass root level that most of the Persons with Disabilities in the society are not able to utilize the basic facilities offered by the Central /State government. Therefore, VSSD was established under the Society Act and became a Social Organization in December 1994, as a non-profits organization to support and fulfill the needs of people with disabilities in the society. This support is in terms of Basic Education, Skill Training, Vocational Training and Placement etc.

VSSD has successfully implemented its projects and goal oriented Programs to help the Persons with Disabilities of all the types.

With this we want to inform you that we are going to organize a **"National Cricket Tournament"** at Talkatora Stadium on 4th, 5th, and 6th May 2022 In this tournament 6 states PwDs Team will participate.
